Transforming the Way You Work

Nashua Technology Park (NTP) campus consists of over 750,000 SF of interconnected, energy-efficient Office/R&D buildings within the Gateway Hills campus. The park and location have become a key component in the growth of numerous leading high-tech companies including Dell, Skillsoft, Amphenol TCS, Benchmark Electronics, Plexxi, DataGravity, Parallel Wireless and more.

The site plan for Nashua Technology Park includes additional R&D space, of which 240,000 SF is currently being engineered and approved.

There is a real sense of community here at NTP @ Gateway Hills. The John Flatley Company supports the growth of each and every tenant and encourages aspiring entrepreneurs to start their own business ventures and grow within this high-tech community environment.
