

FLATLEY challenge

 6 years running

 Over 60,000 SF Awarded

 Over 230 Jobs Created

 Over \$100,000 Awarded

“ We're thrilled to have been selected as the 2017 HiTech Winner. The energy of the NTP ecosystem and the generous \$10,000 prize will be sure to catalyze our growth as we head into 2018. To recognize the future for Vybe in the same innovative light that we do is a true testament to the vision of the Flatley Company, and we look forward to capitalizing on this opportunity.

Mitch Marchand, CEO & Lead Developer
Vybe Software

“ “ We are honored to win the 2017 BioTech award. We are now well positioned within the prominent NE regenerative medicine community at Nashua to progress our regenerative technology platform. This award commits our physical presence in Nashua to accelerate our mission, which has always been to increase the quality of life and survival of the patients we aim to treat.

Derek Dashti, Founder, CEO and Inventor
D&P Bioinnovations

“ It has been phenomenal for Piler Software. I am extremely thankful to have access to this space at a critical point in Piler's growth. It has allowed us to hire and bring on more people without having to worry about where they will be sitting to do their job.

Ashish Patel, President
Piler Software

“ “ Since winning the inaugural Flatley Challenge in 2011, Plexxi has experienced immense growth and success. We started out with 10 employees and today we have more than 90. Our original footprint was 8,474 SF. We have expanded 5 times since, totaling 27,946 SF. We are proud to be a large anchor and success story for NTP.

Laurie Riedel, Vice President of Plexxi
